

Community Reference Letter for Immigration

[Community Leader/Member Name]

[Position, if any]

[Organization/Community Name]

Date: [DD/MM/YYYY]

To Whom It May Concern,

I am writing to provide a character reference for [Applicant's Full Name] as part of their immigration process. I know [Applicant] through [community/church/volunteer group], where they have been an active and responsible member for [X years].

They regularly participate in events, volunteer when needed, and maintain a positive attitude with everyone. Their integrity, helpful nature, and commitment to community service make them a respected member of our group.

I fully support their immigration application and believe they will continue to be a valuable member of any community they join.

Respectfully,
