

Resignation Letter Format for Teacher : Due to Relocation

Your Name
Mathematics Teacher
ABC International School
[Date]

To,
The Principal
ABC International School
[City]

Subject: Resignation Letter

Dear Sir/Madam,

I am writing to officially resign from my position as a Mathematics Teacher at ABC International School. This decision comes after careful consideration, as my family and I will be relocating to another city due to my spouse's job transfer.

It has been a pleasure being part of this institution. Over the past two years, I have learned so much and enjoyed contributing to the growth of my students. I will continue to deliver my best during the notice period, and I am also willing to assist in the transition by sharing necessary documents or helping in the hiring process.

I would like to thank you for the support, trust, and encouragement I have received throughout my time here. I truly value the relationships I've built and hope to maintain them in the future.

Sincerely,
[Signature]
