

Informal Letter to Friend about New School

Dear Meera,

I hope you are fine. I am writing to tell you about my new school, which I recently joined.

The school is very big and has excellent facilities. The classrooms are neat, and the library is full of interesting books. I have already made a few friends, and the teachers are very supportive. I also joined the science club and am enjoying the activities.

Although I miss my old school, I am excited to learn new things here. Please write back soon and tell me about your school life.

Yours lovingly,
Anjali
